My [A] latest sun is [D] sinking [A] fast

My race is [E7] nearly [A] run

My strongest trials [D] now are [A] past

My triumph [E7] has be[A]gun

[E7] Oh come [A] angel band

[E7] Come and a[A]round me stand

Oh [D] bear me away on your [A] snow white wings

To my im[E7]mortal [A] home

Oh [D] bear me away on your [A] snow white wings

To my im[E7]mortal [A] home

Oh [A] bear my longing [D] heart to [A] Him

Who bled and [E7] died for [A] me

Whose blood now cleanses [D] from all [A] sin

And gives me [E7] victo[A]ry

[E7] Oh come [A] angel band

[E7] Come and a[A]round me stand

Oh [D] bear me away on your [A] snow white wings

To my im[E7]mortal [A] home

Oh [D] bear me away on your [A] snow white wings

To my im[E7]mortal [A] home
